

Your journey to Kalari Rasayana

Ayurveda is the ancient Indian system of healing and living that addresses the physical, emotional and spiritual aspects of our well-being. CGH Earth Ayurveda offers treatments at its healthcare facilities in Kerala, which are certified and accredited by the National Accreditation Board for Hospitals and Healthcare (NABH). The treatments provided by our Vaidyas (doctors) are strictly according to the tenets of ancient Ayurveda.

Kalari Rasayana

Healing by a serene lake

Kalari Rasayana is located in the lap of the Paravur backwaters and is surrounded by thick Coconut groves and floating mini-islands. Kalari Rasayana is a place where healing is activated by its sheer tranquility and beauty. Set in the heart of the backwater area of the Paravur Village, the place is an absolute abode of peace. Spread over 8 acres of coconut grove land, Kalari Rasayana offers 22 rooms that are well-equipped with modern amenities and a clinic with 11 treatment rooms. The living spaces at Kalari Rasayana help in the healing process with their soothing and pleasant ambience.

Treatments *at* Kalari Rasayana

Duration: All treatments begin from 14 days onwards. Treatment duration will be decided solely by the Vaidya, as per the individual's condition, based on the preliminary assessment.

Manashanthi Chikitsa **(Stress Management)**

With stress becoming a part of today's hectic lifestyle, Manashanthi, which means 'mental peace', is an anti-stress treatment focused on improving mental health. It aims at helping combat symptoms of stress, insomnia, lack of concentration, fatigue and headaches.

Sthoulyaghna Chikitsa **(Weight Management)**

Sthoulyaghna Chikitsa works by increasing metabolism which helps in utilizing the fat and increasing vitality, so that less fat is accumulated in the body. The core of this treatment lies essentially in purification of the body by elimination of excess cellulite deposits, to prevent the body from disease.

Shodhana Chikitsa (Body Purification)

Shodhana Chikitsa is a body purification treatment that uses some of the Panchakarma procedures. It is preceded by Purvakarma, a stage in which the body is prepared for toxin removal. To undergo a complete detox Panchakarma treatment, a minimum duration of 21 days is required.

Panchakarma Chikitsa (Complete Detox)

Panchakarma is an intensive cleansing treatment that follows the early texts of Ayurveda. Panchakarma, literally meaning five actions, includes Vamana (Induced vomiting), Virechana (Purgation), Kashaya Vasti and Sneha Vasti (Two kinds of medicated enemas) and Nasya (Nasal medication).

Rasayana Chikitsa (Treatment for Healthy Aging - Cleansing and Rejuvenation)

Rasayana Chikitsa is a treatment for rejuvenation and regeneration of tissues. It furthers mental well-being and intellect and is best for those with low immune system and deficient vitality. It helps the affected person return to normalcy, and enhances vitality, immunity and intellect in a normal person
