

Your journey to Kalari Kovilakom

Ayurveda is the ancient Indian system of healing and living that addresses the physical, emotional and spiritual aspects of our well-being. CGH Earth Ayurveda offers treatments at its healthcare facilities in Kerala, which are certified and accredited by the National Accreditation Board for Hospitals and Healthcare (NABH). The treatments provided by our Vaidyas (doctors) are strictly according to the tenets of ancient Ayurveda.

Kalari Kovilakom

A palace where you heal

Kalari Kovilakom is located near Kollangode in the Palghat District of Kerala, by the majestic Western Ghat mountain ranges. The treatment centre is located in a 200-year old palace where history meets natural tranquility. CGH Earth took over the reins of this palace and converted it into a traditional Ayurvedic healing facility, while keeping its historic legacy intact. Kalari Kovilakom is set within the palace grounds of the old Vengunad kingdom and offers 19 well-appointed suites with modern amenities and a clinic with 12 treatment rooms. The living spaces and gardens here complement the healing process, with their nurturing and warm environment.

Treatments *at* Kalari Kovilakom

Duration: All treatments begin from 14 days onwards. Treatment duration will be decided solely by the Vaidya, as per the individual's condition, based on the preliminary assessment.

Manashanthi Chikitsa **(Stress Management)**

With stress becoming a part of today's hectic lifestyle, Manashanthi, which means 'mental peace', is an anti-stress treatment focused on improving mental health. It aims at helping combat symptoms of stress, insomnia, lack of concentration, fatigue and headaches.

Panchakarma Chikitsa **(Complete Detox)**

Panchakarma is an intensive cleansing treatment that follows the early texts of Ayurveda. Panchakarma, literally meaning five actions, includes Vamana (induced-vomiting), Virechana (purgation), Kashaya Vasti and Sneha Vasti (two kinds of medicated enemas) and Nasya (nasal medication).

Shodhana Chikitsa (Body Purification)

Shodhana Chikitsa is a body purification treatment that uses some of the Panchakarma procedures. It is preceded by Purvakarma, a stage in which the body is prepared for toxin removal. To undergo a complete detox Panchakarma treatment, a minimum duration of 21 days is required.

Sthoulyaghna Chikitsa (Weight Management)

Sthoulyaghna Chikitsa works by increasing metabolism which helps in utilizing the fat and increasing vitality, so that less fat is accumulated in the body. The core of this treatment lies essentially in purification of the body by elimination of excess cellulite deposits, to prevent the body from disease

Rasayana Chikitsa (Treatment for Healthy Aging - Cleansing and Rejuvenation)

Rasayana Chikitsa is a treatment for rejuvenation and regeneration of tissues. It furthers mental well-being and intellect and is best for those with low immune system and deficient vitality. It helps the affected person return to normalcy, and enhances vitality, immunity and intellect in a normal person
