DURATION: 7 NIGHTS ONWARDS

Goals: Rejuvenate using traditional Ayurveda principles to de-stress & revitalise from inside out. Get an introduction to a healthy activity pattern and food habits drawn from Ayurveda, to lead and maintain a healthy lifestyle in today's world.

Ayurveda is an ancient Indian philosophy that focuses on healing the body by rebalancing the three body humors – Vata, Kapha & Pitta. SwaSwara's Ayurvedic programmes are available for different durations of stay; with each programme designed to address specific needs and restore the vitality of the body.

Our 'Ayurveda Rejuvenation' programme addresses health issues arising from the rigours of modern lifestyle. Suitable for overall recalibration & maintenance or for relief from specific ailments such as Arthritic related problems, Musculoskeletal problems, back pain, circulation and sinus related problems. Available from 7 nights onwards, this programme also suits the needs of those who do not wish to undergo the preparatory procedures for intense Ayurveda Detox & Panchakarma programme – such as 'Snehapana' (ingestion of medicated ghee) followed by 'Virechana' (purging procedure).

Ayurvedic treatments undergone in this programme would include Shirodhara – continuous pouring of warm medicated oil or water on the forehead, Kizhyi massage – massaging the body with pouches filled with medicated herbs or cooked rice and medical oils, Dharas – continuous pouring of medicated warm oil or water over the full body and Basti – medicated enemas.
